To every thing there is a season, and a time to every purpose  
under the heaven:

A time to be born, and a time to die; a time to plant, and a  
time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and  
a time to build up;

A time to weep, and a time to laugh; a time to mourn, and  
a time to dance: . . .

A time to get, and a time to sew; a time to keep silence, and  
a time to speak;

A time to love, and a time to hate; a time of war, and a time  
of peace.

Old Testament: Ecclesiastes, III, 1-8

## Dedication

Mr. Jack Clinton

The AMULET staff is pleased to dedicate the 1973 AMULET to a gentleman whom both students and faculty members fondly refer to as the "Mad Spaniard." In addition to teaching Spanish, he has been a newspaper and a yearbook advisor. This twenty year veteran is currently sponsor of National Honor Society and is involved in Spanish Club. We dedicate the 1973 AMULET to Mr. Jack Clinton, a man who feels that "basically kids are good."

Whether working with a Spanish Class project or helping Spanish Club with a seasonal project, Mr. Clinton is known and well liked by all involved.

**The Active**

# Rockets Blast Off

The 1972 Homecoming was crammed full of activity. The Theme of "Tomorrowland" was seen throughout the week, first at the Variety Show, then at the Bonfire, the Game, and the Homecoming Dance to end the week.

On the first night of the Variety Show, extended to three nights, Queen Debra Smith and her Court, senior Misai Miller, junior Paula Wirsching, sophomore Gail Slater, and freshman Cindy McSimov, were crowned.

At the Bonfire the juniors were awarded first place in skit competition. First place in individual acts went to the Young Life Singers with second place going to Danny Taylor. The all-school float was displayed at the Homecoming game and in the parade Saturday morning which had been delayed because of rain.

The Rockets were defeated by the Manual Rams, 55-36, in a hard-fought contest. The Homecoming Dance with music by the Uptight Sound Creation brought Homecoming '72 to a successful end.

Queen Deb Smith smiles as the Homecoming Parade assembles in the parking lot.

French Club car adds to the competition.

The all-school float brings unity between classes.

David and Lisa tells, with the use of modern stage techniques, the strange, appealing and utterly fascinating story of the two mentally disturbed adolescents. David is the only son of wealthy parents, over-protected by a dominating mother who is tortured by his mania against being touched. Lisa is a waif who has never known parental love. She has a split personality; one speaks in childish rhymes and insists upon being spoken to in the same manner.

The play follows them during the course of one term at Berkley School, where they have come under the sympathetic and understanding guidance of psychiatrist Alan Swinford. He follows them through great progress and retrogressions, through laughter and heartbreak.

Cast members include Mike Randolph, Robin Wright, Emma Cremeens, Brad Wright, Randy Hartwig, Nora Brauer, Dayle Ann Savage, Jane Grebe, Agim Susuri, Michelle Ingolia, Jim Grebe, Karla Nelson, Robin Elam, Alan Bragg, Corky Brown, Tony Crowe, Tom Phillips, Lynn Tucker, Anita Crowe, and Stan Sutter.

The production was directed by Mr. Alan Ragains. Student director was Maria Buss.

The 1972 football season was a disappointment as the Rockets finished the season winless.

As a team the Rockets had a few moments of brilliance. Individuals excelled such as Charles Schaefer with his bullet passing, Mike Schroeder catching everything in sight and Neil Sullivan and Tim Clark gaining yardage on the ground.

The Rockets will have many returning lettermen and should have a better season next year. The captains this year were Rick Packer and Neil Sullivan. Next year's captain will be Charles Schaefer.

This years Varsity Basketball team had a disappointing season winning 12 games and losing 12 games. The Rockets had some individual standouts throughout the year Junior Chuck Thome was named to the Mid-State Nine All Conference Team, and was named Honorary Captain. Seniors Denny Reader, Tommy Paschon, Terry Endsley, and Mike Duhs had outstanding seasons, each scoring almost the same amount of points.

Throughout the year, the Rockets played some mean basketball, defeating top ranked Moline in the Pekin Holiday Tournament. The running Rockets had Mid-State Nine champs, the Bergan Trojans, trembling under pressure before the Rockets fell to defeat.

The Rockets will have a fine hustling team returning next year, and there record should improve with a good attitude and good coaching from Coach Ruggenbach.

Mike Schroeder, Lucky Clozen, Butch Stallings, Glen Koeppl, Gary Chiaravalle, and Dan Harkless all played some outfield for the Rockets

This year's baseball season was a disappointment as the Rockets finished under 500. Although the team as a whole was disappointing there were a few standouts. Performing a rare feat were Gary Moody and Rick Newton as they both pitched in 17 games. Other standouts were Gary Chiaravalle and Dennis Lindsey who both did a great job at their positions and at bat. The Rockets with many good players returning and with a good group of sophomores should be fighting for a top spot in the MSH next year.

Marvin Davis was one of the Rocket's dedicated managers this year.

The distance men worked hard on there events

To improve a track season record is not one of the easiest things to do. To do it, it takes a lot of hard practice, good coaching, and a good team attitude toward the sport. This year, Limestone had a track team that had all of these things. The coaches, Mr. Fulk, Mr. Negely, and Mr. Kasap, all did a fine job, as the team improved its season record by four wins. The team was willing to practice hard all season, and always did the best possible at track meets. The team worked together and had a good attitude and they wanted to win.

The squad was a young one, with only two seniors. The team had standouts in Kevin Ledbetter, Tim Moody, and Ed Kellum, all of whom broke school records in their events.

With many returning lettermen, the Rockets should be able to improve its record even more.

Kevin Ledbetter did an outstanding job in the high jump, mile relay, low hurdles, and high hurdles, in which he placed 1st in the Mid-State Nine.

Coach Fulk did a fine job coaching the sprinters.

Coach Kasap watches closely as his distance runners pass by.

# Seniors Plan Ahead

The time soon comes for these graduating seniors of 1973 to go into the world and try to tackle it. Some go on to college, but others do not. After many years of preparation, they are ready to give all that they can to make this world better.

Homecoming plays an important part in the lives of all seniors. This year the seniors had an active part in the production of the all school float. The class of '73 did an outstanding job on their skit. The senior girls gave a lift to the Variety Show with their special skit. Deb Smith was chosen 1973 Homecoming Queen with Missi Miller as senior attendant.

Seniors collected more toys for the 'Toys for Tots' drive at Christmas time.

During Spirit week the seniors had the longest Spirit Chain. The seniors showed great spirit throughout the whole year.

A job well done on leadership and organizing projects was done by the class officers: Harold Taylor, president; Neil Sullivan, vice-president; Janet Schultz, secretary; and Greg Barnett, treasurer. Helping along were the senior class sponsors: Mrs. Fulk, Mr. Gillette, Mr. Hagenbuch, and Mr. Russell. Consultants were Mr. Ingram and Mr. Bailey.

Jennifer Bauman, President; Pam Ingram, Secretary; Lynn Gibbons, Vice-President; Lauren Koller, Treasurer.

# Frosh Make Good Start

As the Freshmen begin their way through Limestone, they chose for their Class of '76 Jennifer Bauman as president, Lynn Gibbons as vice-president, Pamela Ingram as secretary, and Lauren Koller as treasurer.

These officers along with their advisors, Mrs. Gross, Mr. Agner, Mr. Wittmer, Mr. Bowman, and Mr. Oswald, helped the class meet their first Homecoming with interest and

enthusiasm.

Cindy McSimov, Homecoming attendant, was the perfect addition to the Queen's court.

The Freshman Class sold patches along with candy as a start for their Prom savings. With the help of class officers and advisors, the Freshmen ended the year very successfully.

# DO YOU SEE

# WHAT WE SEE?

Things  
are moving fast  
Almost every day we  
learn more about ourselves  
our environment . . . our needs. We can see that tomorrow  
is going to be vastly different from today . . . much more than  
today is different from yesterday

It's more important now than ever before to prepare  
ourselves for the changing times that are coming. You're finding  
that out as a student. We're finding it out as a company. So  
we're studying new discoveries and new methods. We're  
busy with plans to meet the increased energy needs of next year  
and the year after . . . and the year after

For you and for us . . . how well we both do depends not  
so much on what the future brings to us . . . but what we  
bring to the future

## IN MEMORIAM

We are grieved by the loss of three very fine people from Limestone High School and would like to dedicate the following poem to their memory.

### Crossing the Bar

Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the  
bar,  
When I put out to sea

But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew from out the  
boundless deep  
Turns again home.

Twilight and evening bell  
And after that the dark!  
And may there be no sadness of fore-  
we  
When I embark,

For though from out our bourne of  
Time and Place  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar

— Tennyson

# Best Wishes ~ Happy Retirement

## MR. PAUL MALMGREN

**20 Years Service  
To Limestone High  
School**

A 34 year veteran of the teaching profession, Mr. Paul Malmgren, retired June 1st from the hallowed halls of Limestone High School where he served for 20 years.

Beginning when the school opened in 1953, Mr. Malmgren first served as an agriculture teacher. He also was the first teacher to hold adult evening classes in agriculture at Limestone. Later, as the demand for agriculture courses diminished, he moved into the science department.

The Limestone High School students and staff thank you, Mr. Malmgren, and extend best wishes for a happy retirement.

Mr. Malmgren is honored by the staff at June 1st retirement party
